WITH LOVE AND CARE

FOR CHILDREN

Kidergarten TEMENUGA
Kazanlak, Bulgaria
WHO WE ARE

- Kindergarten № 3 Temenuga is housed in a specially built back building in 1950, on the 4 groups. They comply with all hygiene requirements and conditions for the proper upbringing of children from 3 to 7 years for conducting qualitative and complete educational process.

in 2010 the garden celebrates 60th anniversary

Happy Birthday 60th

congratulations!
WHO WE ARE

- Children grow up in a relaxed and comfortable environment, ensuring development of intellectual, aesthetic and physical abilities at an early age. Educational process is to form the basic habits of self, independence, food culture and social behaviour.

- With children works outside tutors prominent experts. In their work with children they apply innovative technologies in their field, learning games, numerous tests and individual approach to each child.

Pre-school is fully consistent with the Ministry of Education prepared curriculum and covers the key principles for supporting the socialization in a smooth transition to school. The program aims to provide the necessary amount of knowledge to future students and to their development as human personalities of individual identity.
We apply the model for the socialization of children through artistic and aesthetic activities - children freely choose activities to which an affinity: Bulgarian folk dances and folk vocal group, musical instrument-piano, accordion, synthesizer, percussion, fine and applied arts, and early language.

**ENGLISH**

- Training is offered in the belief that quality education in that language is necessary to involve the child's culture and traditions of most developed countries in the world.

**BULGARIAN FOLK DANCES AND FOLKLORE**

- Under the leadership of teacher children learn not only the dance steps, but obtain knowledge and Bulgarian traditions in folklore, acquainted with the character of each area ethnographic costumes and customs.

**VOCAL GROUP**

- Here are expressed, children singing opportunities and enhanced interest in the song.

**MUSICAL INSTRUMENT**

- In this group, involving children with outstanding musical inclinations. By special didactic games to learn the notes develops musical hearing and musical memory.

**FINE ARTS**

This group is most diverse and artistic. They have already organized two-city exhibition of young artists.

**SWIMMING**

Under the leadership of qualified swimming instructor, the future first graders will be involved with the sport once a week.

**CLUB FOR BULGARIAN FOLK DANCES**

Since November 2007 in kindergarten № 3 Temenuga Club was created for Bulgarian folk dances and folklore, with the idea it to include teachers and parents of children attending kindergarten.
